## Field Marking Paint

### BULK PAINTS – 15L

Signet's Field Marking Paint is Australian made and quality verified for consistency, application properties, stability, opacity and colour in Signet's manufacturing facility and laboratory. Our Field Marking Paint is easy to use and comes in a range of 8 standard colours and is ideal for marking AFL, NRL, Rugby, Soccer, Athletics, Bowls, Softball & Baseball Fields, Tennis Courts, Golf Courses, etc.

#### Ideal Application Temperature

Between 10°C and 40°C.

#### Preparation

Depending on application equipment (spray or roller), Field Marking Paint is diluted with water up to 1 part paint to 4 parts water. Mix well before using and dilute by adding water to the paint at the desired ratio. The more concentrated the mix, the brighter the colour.

#### Application

2 to 3 coats is recommended to give a uniform, consistent finish.

#### Clean up

Clean equipment with water after use and dispose washing water in accordance with local government requirements.

#### First Aid & Safety Information

Please refer to product SAFETY DATA SHEET (SDS) before use. Safety data sheets are available for download on individual product pages, visit **signet.net.au**.
