

HONEYCOMB PADDED MAILERS

Signet's Own Honeycomb Padded Mailers are the perfect eco-friendly alternative to traditional plastic bubble mailers. Crafted from FSC certified recycled kraft paper, the unique inner honeycomb cushioning ensures that your items are well protected during transit, eliminating the need for additional internal protective packaging.

MAILER DIMENSIONS

5mm +/- tolerance on all dimensions

Item No.	Item Name	Inner W x L (mm)		Outer W x L + Flap (mm)
