

# A GUIDE TO BAGS

Bag Type	Light Duty	Medium Duty	Heavy Duty	Food Safe	Uses
Polyethylene Bags	✓	✓	✓	✓	Pack, store, or ship a variety of items, from hardware and food products to office supplies and retail goods
Polyethylene Bags on a Roll		✓		✓	Pack or store hardware, jewellery, food and retail products
Heat Sealed Poly Tubing	✓	✓	✓		Easily cut and heat seal to desired length to protect goods from dust and moisture
Furniture Bags		✓			Pack, store or ship lounges, chairs and more
Mattress Bags		✓			Cover and protect mattresses and ensembles
Carton Liners			✓	✓	Package baked goods, produce, and bulk foods to prevent moisture and contamination
Paper Bags	✓	✓			Various sizes available to pack books, merchandise or other retail products
Self-Seal Bags	✓	✓	✓		Suitable for commercial and consumer packaging of hardware, office and retail goods
Self-Seal Bags with Contents Panel	✓	✓			Ideal for both commercial and consumer packaging, the panel provides space to record contents
Anti-Static Bags	✓				Store electrical components that are sensitive to static electricity, e.g. hard drives and integrated circuits
Calico Bags & Hessian Bags		✓	✓		Durable and for storing a variety of items including clothes, craft supplies and more
Green Geo UV Bags			✓		Used for storing or disposing of soil, gravel, mulch, or other organic materials
Garbage Bags	✓				Suitable for containing waste in both retail, home and commercial environments
Degradable Garbage Bags	✓				Suitable for retail and commercial waste management. 100% recyclable

### Measurements

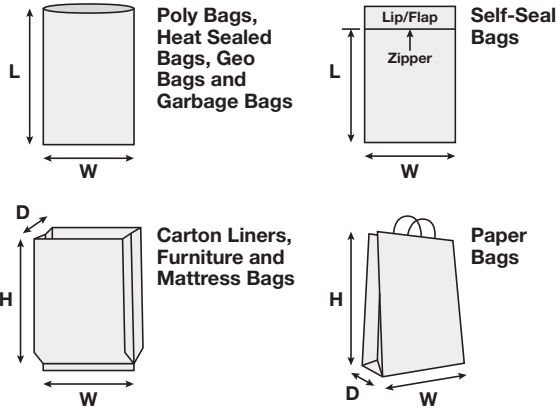

When selecting a bag, consider the product's packaging, dimensions and weight. Heavier items may require a thicker bag for added durability. Bags are measured by internal measurements.

### Gauge

Gauge measures the thickness, strength, and durability of a plastic or polyethylene bag. A higher gauge indicates a stronger bag, making it more suitable for heavy duty applications.

### Gusset

Once opened, a gusseted bag offers more volume and space, meaning you can put more product inside. If a bag has a bottom gusset (Carton liners & Paper Carry Bags) it allows the bag to stand on its own for easier packing.
