Ideal for smaller jobs

Graco FieldLazer Sports Field Striper

The FieldLazer is a durable and lightweight field striper, giving you effortless straight lines over even the roughest terrain.

- Easy gun removal for spraying stencils or large solid areas
- Swivel front wheel makes striping arcs and curves with ease
- The tall wheel cart rolls easily over ruts, resulting in less operator fatigue and straighter lines

For all enquiries call Signet on 13 7446 today.

Top of the range

Graco LineLazer 3400 Airless Line Striper™

The LineLazer 3400™ is the ideal professional striper for smaller jobs. Although capable of striping only one line at a time, its size and features make the LineLazer 3400™ ideal for maintenance work, car parks, etc.

- Removable hand gun for easy spraying of numbers, logos, etc.
- Electronic pressure control provides excellent line quality
- Swivel front wheel makes striping up to the curb easier
- Stripe arcs and curves with ease
- Easy-roll wheel design makes pushing the striper easier, reducing fatigue

For all enquiries call Signet on 13 7446 today.

Paint saving technology

Graco FieldLazer S90™

Item No. 35323

Battery powered simplicity combined with paint saving high-pressure airless technology.

- Tilt-N-Pour removable hopper, one button operation and proven RAC® five spray tips, the FieldLazer S90™ is designed for easy start-up, use and cleaning, saving you both time and money
- Airless high-pressure spray technology gives you better coverage on the grass resulting in professional, crisp and bright lines
- Big turf tyres provide additional stability while making both curves and straight lines
- Spray stencils and corner kicks with the removable spray gun

\$2,499 each

Field Marking Paint

- Water-based paint for marking out sporting fields and pitches
- Safe to use on all types of grass without causing damage or browning
- Exclusively designed by Signet to provide brighter, longer lasting lines on sporting fields and pitches
- Strong colour is effective in covering grass undertones in fewer coats
- Mix four parts water to one part paint, providing optimal line colour and consistency
- For use with battery powered and transfer style line marking machines of all brands
- 15L drum makes 75L of final product
