Kraft Water Activated Tape

Item No. 46612

- Environmentally friendly, made from natural kraft paper and plant-based starch adhesive
- 100% biodegradable and 100% recyclable with no need to remove from cardboard or packaging
- Water activated adhesive penetrates into the fibres of the carton providing a superior seal
- Use with either Manual (Item No. 46614) or Automatic (Item No. 46613) dispensers
- Size: 70mm × 184m
- 6 rolls per pack

PRICE PER ROLL	SAVE 7.5%
1 + Packs \$11⁹⁹	3 + Packs \$11¹⁰

Kraft Reinforced Water Activated Tape

Item No. 47174

- Environmentally friendly, made from natural kraft paper and plant-based starch adhesive
- Incorporates a layer of paper with cross woven filaments providing high strength, ideal for heavy duty carton sealing
- 100% recyclable with no need to remove from cardboard or packaging
- Water activated adhesive penetrates into the fibres of the carton providing superior seal
- Use with either Manual (Item No. 46614) or Automatic (Item No. 46613) dispensers
- Size: 70mm × 184m
- 6 rolls per pack

NEW

PRICE PER ROLL	SAVE 7.5%
1 + Packs \$17⁵⁰	3 + Packs \$16¹⁹

Water Activated Tape Dispensers

- Suitable for dispensing water activated tapes up to 100mm wide
- Manual – steel frame for durability and long life, water bath provides uniform wetting of adhesive
- Automatic – 14 preset colour coded keys for tape lengths 15cm to 145cm allows for quick easy operation
- Fast tape output 114cm per second speeds up production compared to handheld dispensers
- Thermal cut-off and interlock switch for absolute user safety

3M VHB™ Tapes

The ultimate in tape bonding strength

For more than 30 years, industries worldwide have been using 3M VHB tapes for high holding power in static and dynamic loads. Viscoelastic properties absorb shock and distribute stress evenly for bonding power that helps eliminate mechanical fastening in many jobs.

VHB™ RP Series Tape

- Ideal for general industrial, interior fitout and signage applications
- Bonds to a wide variety of surfaces, including: glass, metal, many plastics, composites, sealed wood and painted surfaces
- All acrylic construction gives extraordinary strength, conformability and versatility indoors and outdoors
- Features a paper liner for die-cutting solutions

PRICE PER ROLL					SAVE 10%

VHB™ 4000 Series Tape

- Acrylic adhesive backing and conformable acrylic foam make 3M™ VHB™ 4910, 4941 and 4991 perform well in harsh environments
- Performs great on:
 - Aluminium composite panel
 - Architectural facades
 - Glass
 - Signage
 - Painted/sealed porous surfaces such as wood and concrete
 - Many medium surface energy plastics such as rigid PVC
 - Many plasticised vinyls, acrylic and polycarbonate
 - Outdoor & harsh environmental applications

Please note: As we cannot anticipate all situations and applications of 3M VHB Tapes, it is recommended that customers conduct their own evaluations of the use of this product. We would suggest testing the product and its outcomes prior to use.

Adhesive Transfer Tapes

- An excellent, no mess alternative to gluing
- Tapes transfer a thin layer of adhesive to surface, which becomes double-sided when the paper lining is peeled away

926 Adhesive Transfer Tape

- Ideal for applications requiring high bond strength, high shear strength and high temperature performance

928 Transfer Tape

- High tack and low tack on either side of adhesive
- Ideal for applications where removability is required

924 Transfer Tape

- General purpose tape
- Joins most paper stocks

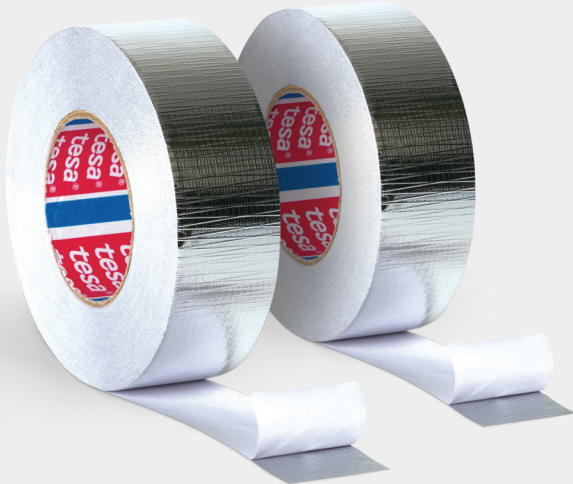

969 Transfer Tape

- High initial bond
- Bonds well to smooth and moderately textured surfaces

Bag Sealers & Bagging Tape

Bag Sealers (Standard and Giant)

- Durable bag sealers with cutter for single action sealing
- Ideal for retail applications or for fast, efficient sealing in busy areas
- Prevents small items and components from escaping bags during transit

Bagging Tape (Dark Blue and White)

- High quality PVC bagging tape seals poly bags neatly
- Cannot be easily removed once applied, creating a tamper-evident seal that increases security and protection of goods once purchased
- Use with bag sealer for most efficient results

Strapping Tape

- Suitable for palletising and bundling
- High impact strength, meaning tape won't split or break during transit and movement around the warehouse
- Ideal for lightweight, stable pallets meaning no pallet wrap is required
- Premium grade polypropylene tape that is easier to apply with dispenser
