PET & PP Battery Combination Strap Tool

Latest technology
- Battery powered – automatic – highest battery capacity 4,0Ah (4000mAh)
- Brushless motor – patented motor design provides extremely long service life
- Bosch Li-Ion battery – 18V 4.0Ah rechargeable battery with smart charge level indicator

Powerful and speedy
- Patented new gripper design enables high tension and strap quality tolerance
- Single-handed operation performs automatic tensioning, welding and cutting

Smart and easy
- Pre-programmed digital touch panel
- Lightweight (3.4kg including battery)

Safety
- Conforms to CE safety directive and meets RoHS requirements
- Li-Ion battery complies with UN38.3 safety requirements

SPARE BATTERY included!
